In an effort to prevent possible confusion, the word Enfamil has been added to the description of LactoFree. The formula pick list now reads Enfamil LactoFree. The TX WIN formula codes for Enfamil LactoFree will remain unchanged.

Mead Johnson has changed the name of Enfamil22 to Enfamil EnfaCare. To assist **WIC** participants and retailers, the **WIC** voucher will read “EnfaCare or Enfamil 22.” The TX WIN formula codes will not change. A prescription is needed to issue Enfamil EnfaCare.
